

# PROGRAM ADMINISTRATOR'S WELCOME

Welcome to Middle Tennessee School of Anesthesia! Congratulations on taking the next step as a currently practicing Nurse Anesthetist by returning to obtain your Doctorate degree. Through the Doctoral coursework, you will enhance your current practice, ultimately advancing the Nurse Anesthesiology profession. It is my hope you will become leaders in our field, not only in practice but also in education, quality improvement, business development, policy, and ethics.

The faculty chosen to teach the Doctoral curriculum courses will share their expertise and guide you through the process to reach your goals. Our goal is for the Doctorate of Nurse Anesthesia Practice degree to be meaningful and uphold the value associated with the Doctorate title. Please feel free to contact me with questions.

Thank you,

Hallie Evans, DNP, CRNA, APRN
