

ACCEPTANCE PROCESS

At the conclusion of personal interviews, the DNAP-C Program Admissions Committee will review the applicants for the admission decision. Applicants will receive a notice of determination of admissions from the Office of Admissions. Accepted applicants will be given a period in which to respond and the deadline will be stated in the letter of acceptance. Accepted applicants must submit the **NON-REFUNDABLE DEPOSIT** to MTSA with the acceptance response letter by the stated deadline to secure enrollment in the program. The **NON-REFUNDABLE DEPOSIT** will be applied to the student's first tuition payment. After the stated deadline, if the **NON-REFUNDABLE DEPOSIT** has not been received by MTSA, the applicant's position in the upcoming class will then be offered to an alternate applicant.

DNAP-C Program Admissions Committee session decisions are only valid for the admission term stated in the acceptance letter and MTSA does not reserve student positions for applicants in subsequent future classes.

Acceptance is contingent on acceptable background check results.

Non-Refundable Deposit: \$1500
