

REPAYMENT OF LOANS

It is expected that students accepted into MTSA are good citizens and individuals of high integrity, who fully expect to repay all student loans. Students generally have 10 years to repay their loans. Interest is accruing on the loans while the student is in school, and payments may be made towards the loan prior to completion of the coursework to lower loan balances. The loan servicer will notify student when the first payment is due, usually following a six months grace period upon completion of the coursework. To learn about loan repayment options, students should contact their loan servicer.
