

# DNED 610 : TEACHING AND ASSESSMENT STRATEGIES FOR THE NURSE EDUCATOR

This course builds on the theories, philosophies, and conceptual frameworks learned in Course 1 and guides the student in developing effective, evidence-based teaching strategies to address various student learning styles in diverse settings. Teaching methods that promote productive and supportive learning environments are explored. Students will gain an understanding of how to use and integrate a variety of technology tools as they prepare to deliver educational offerings in the classroom, online, and clinical settings. Various formative and summative evaluation strategies for assessment of learning and attainment of student learning outcomes in the classroom, clinical, and laboratory settings is also addressed.
