

# ACADEMIC SUMMARY

The DNAP- Completion program is designed as a two-year program. The DNAP Completion courses are online only.

MTSA is organized on an academic semester basis. MTSA defines full-time status as enrollment for 8 or more semester hours in a semester.

MTSA evaluates student feedback and reserves the right to alter the frequency of courses and the length of the program, in accordance with student cohort feedback.

Upon satisfactory completion of this program of study at Middle Tennessee School of Anesthesia, the student will be awarded a diploma with the degree of Doctor of Nurse Anesthesia (DNAP).
