

SCHOOL/CLINICAL RELATED ACCIDENT INSURANCE

Because DNAP students may participate in experiences related to the Scholarly Project in a healthcare arena where accidents may happen, such as needle sticks, and because these healthcare arenas may be unwilling to assume the risk of caring for DNAP Program CRNA completion degree format students in such situation, MTSA provides an accident insurance policy to assure they have appropriate healthcare treatment for an untoward event. Although MTSA provides this personal school-related accidental/injury insurance policy, MTSA does not assume the student's medical care nor provide health insurance. This coverage applies only to school related activities. The student must carry personal health insurance at all times throughout the program.
